Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 21 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Another hot day with sunny spells.

Today:
A fine and largely dry day, with plenty of sunshine. The odd patchy of cloud bubbling up in the afternoon, bringing a risk of the odd sharp and potentially thundery shower. Feeling hot in most places. Maximum temperature 32 deg C (90 deg F).

Tonight:
Any remaining clouds gradually clear during the evening, with lengthy clear skies to follow across the region overnight. Feeling warm in most places. Minimum temperature 15 deg C (59 deg F).

Thursday:
Fine, sunny conditions continue, with fairly clear skies for most. However, some cloud bubbling up during the afternoon with a risk of some isolated thundery showers. Remaining hot. Maximum temperature 32 deg C (90 deg F).

Outlook for Friday to Sunday:
Another largely dry and hot day on Friday with sunny spells and some isolated showers. Rain, perhaps thundery arriving on Friday night and into the weekend. Becoming less hot.
